

Directions to the Conference Venue (Vielberth Gebäude Universität Regensburg)

By Car, the best way to reach the venue is via the Autobahn A3. Exit the Autobahn at Abfahrt Klinikum Universität 100a. After exiting, if you were driving in the direction of Passau, turn right and immediately right again. If you were driving in the direction of Nürnberg, turn right.

There are two parking spaces close to the venue, one (OTH Parkplatz) can be reached by the street you are already on. It is on the left. For the second one (Universität Regensburg Parkplatz 2) turn left into Albertus-Magnus-Straße and drive through the underpass and then turn right into Universitätsstraße. The second parking space is on the right.

The conference venue is right next to the parking spaces to the south.

By Public Transport, you can reach the University from the central station by bus lines 6 and 11. Get off at the stop Universität Regensburg. Head downhill on Universitätsstraße. Turn right into the last walkway before the parking space ahead of you. This walkway leads right to the entrance of the conference venue.
